THE STAR TRIBUNE

A MONTHLY PUBLICATION OF STAR HOMESCHOOL COURSES

Biola Youth Theatre presents The 5th Annual Biola Youth Summer Camp

July 30 - August 10

Monday - Friday 9 am to 5 pm

Offering basic, intermediate, and advanced classes in acting, voice and dance, students ages 10 through high school senior will discover and rejoice in their unique God-given talents. The highlight of the two weeks is a variety show on Saturday, August 11th.

Early registration discount for all who register and pay in full by June 29th.

Please call 562-906-4574 for more information.

Employment Opportunities

STAR is looking for competent, energetic classroom instructors to assist home educated junior high and high school students in their academic courses. For more information, please visit the STAR website.

2007-2008 Instructor openings will be posted on the website on June 18th.

*But let all who take refuge in You be glad,
Let them ever sing for joy;
And may You shelter them,
That those who love Your name may exalt in You.
For it is You who blesses the righteous man,
O LORD,
You surround him with favor as with a shield."
Psalm 5:1-2*

MBS DIRECT

This convenient service, which provides you with online access to your books and course materials, will be available to you beginning June 16th. You can contact MBS Direct on our website by going to the Courses page and clicking the Virtual Book Store link.

Science Teacher Symposium at Biola University

August 3 - 4, 2007

- Discover scientific evidence for a creator.
- Determine if the subject of biological origins is being accurately and completely taught to your students.
- Meet leading critic of Darwinian evolution, Jonathan Wells.

This course is designed for high school biology teachers, but all parents and educators will benefit from attending. Students in the 9th grade or above are also welcome if accompanied by their teacher or parent.
